

SUPPORTING MEMBERSHIP

Brunswick Ballet Company, the first non-profit ballet company in the area, offers the specialized instruction and performance opportunities that allow dedicated students to fully recognize the endless possibilities of dance. Students in this community are yearning to receive the dance opportunities offered in larger cities throughout the state. Setting the standard for dance in the area, Brunswick Ballet Company's yearly expenses are multiple thousands of dollars, and our programs depend on your support. Your annual contributions allow us to offer professional, dependable, and dynamic programs in which dancers throughout the community can participate. These programs include:

- A ballet season in which two or more classical ballets are performed each year including an annual performance of *Nutcracker Under the Sea*. These performances are filled with beautiful dancers, elaborate costumes and sets, exciting choreography, and guest dancers from professional companies throughout the nation.
- A pre-professional program offering intensive dance classes for dedicated students.
- An outreach program providing free classes and dancewear to students with less advantages including but not limited to: disabled, low-income families, disadvantaged minorities, elderly, and at-risk youths.
- A scholarship program providing dance tuition to talented, dedicated students in need.
- A lecture demonstration program in which experts and dancers travel to public schools, hospitals, nursing homes, and community centers with the goal of teaching students about the details of dance such as dedication, exercise, creative expression, and muscle coordination; as well as performance details such as costume design, scenery painting, lighting design, music editing, and stage managing.
- A summer intensive program offering the highest quality of training with guest master instructors.

Your support is integral in maintaining these programs. To show our sincere appreciation, we would like to offer special benefits and privileges to our supporting donors. Levels of annual membership and benefits are explained as follows:

ADDITIONAL WAYS TO CONTRIBUTE:

- **Matching Gifts:** The company in which you work may be able to help increase your level of membership. Many businesses offer matching gifts to its employees that provide monetary gifts to non-profit organizations. Ask your human resources officer about the opportunities that may be available to you as well as provide additional funding for Brunswick Ballet Company.
- **Corporate Sponsorship:** Corporate sponsorship of a Brunswick Ballet Company performance, summer camp, outreach program, or special event is a wonderful way for your company to give back to the community and support arts and education in local youths. Without support from other local businesses, we would be unable to offer our programs to the area.
- **Friends of the Ballet:** If you are unable to support Brunswick Ballet Company with a monetary gift, but would like to become involved by volunteering your time by helping out with production details, events, fundraising, outreach programs, or one of our many other programs, please contact Haley Blasi or Jennifer Hoffman to learn about joining our *Friends of the Ballet* program.

Please place your confidence in us and help maintain Brunswick Ballet Company's programs for these young students. They are thriving in dance classes and need to be rewarded with professional quality programs that showcase their wonderful talents.

Sincere thank you,

Board of Directors
Brunswick Ballet Company
